ECHOES

The

Echoes

1964

Throughout youth, students are continually opening doors--or allowing them to close. Doors to education, to opportunity; doors to progress, to challenge--these doors will open if the knob is turned correctly. At York, the main entrances are a symbol of the challenge that lies beyond the doors of each department. As these doors open one by one, students may see what lies ahead.

MRS. ROTHACKER

We, the Seniors of 1964 wish to dedicate our yearbook to a person who has been very dear to our hearts. To show a small amount of our appreciation we would like to honor you, Mrs. Rothacker, for all the small favors, guiding talks and extra time you have given us. If ever we had a problem we knew we could come to you. The assurance that there would always be someone to turn to in times of question or sorrow has helped us walk these halls with more confidence than we ever thought possible.

From the bottom of our hearts, Mrs. Rothacker, we say thank you.

Class History

We, the class of 1964, entered the halls of York High as 30 eager freshmen in September, 1960. Our class sponsor, Mrs. Tetrick, helped us to get a good start. Our elected officers were Larry Bowersox, president; Richard Zieber, vice-president; Karen Heter, secretary; Galen Polley, treasurer; and Harold Bailey, student council representative.

Next year our diminishing class of 27 sophomores returned to a new sponsor, Miss Aigler. During the year, Galen Polley, with Harold Bailey, was on his turn in case of emergency. Rosalyn Wise kept the records and Larry Bowersox collected our mounting pennies. Richard Zieber voiced our opinions in student council.

This year we were 21 busy juniors. Besides keeping up with our home work we were right in the midst of the extra-curricular activities. During basketball games or when we could be found sitting under the big trees. Some of our other fund raising projects were a turkey raffle, record hop, and roller skating party. Happy were we when our long-awaited class rings arrived. In April, after many riotous rehearsals, the curtain descended on "Girl Crazy" under the direction of Mrs. Zanger. Miss Aigler really became one of us when we celebrated the end of a Paris street scene for the night. "A Evening in Paris" during this year was a success with Larry Bowersox as the star. Becky Lee was pushing the pencil. Karen Heter, with the help of Connie Hill, Richard Zieber and Galen Polley, related our brainstorm to the student council.

Now we are 19 vivacious seniors, with Larry Bowersox, president; and Judy Crotcher, secretary. Richard Zieber takes over Larry occasionally. Karen Heter and Connie Hill keep our financial statements. Rosalyn Wise and Harold Bailey voice our gripes to the student council. In spite of all these we look forward to such things as Senior pictures, invitations and name cards, presentation of "The Spiral Staircase," and being the first class to go to Washington by air. Most of all we look forward to GRADUATION. We wish to finish our school with a lot of fun, a lot of hard work, and success. I will be with you all the way as we leave York High to strive for personal goals in the world.

National Honor Society

Belonging to the National Honor Society is one of the highest honors bestowed on a high school student. Members are elected for outstanding qualities in Scholarship, Character, Leadership, and Service.

To be a candidate, a student must have a scholarship rank in the upper third of the class. From this upper third 15% can be elected by the High School Faculty.
